

**2012 Illinois State USBC Team Championship Tournament
Town & Country Lanes – Joliet, IL
Saturday, April 21, 2012**

Pheasant Lanes youth bowlers are scheduled to bowl in the Illinois State USBC Team Championship Tournament to be held at **Town & Country Lanes in Joliet, IL, on Saturday, April 21, 2012 at 1:30 PM.**

Please arrive by 12:30 PM in order to allow for meeting your team, checking in as a team and getting a team picture taken. If you choose to purchase a picture, they will be printed and brought to your lanes while you are bowling. You must show your 2011-2012 USBC Sanction Card at check-in. You should be receiving it in the mail soon. If you do not receive your sanction card by the middle of February, let me know, and I will instruct you how to obtain a copy.

Entry fee is \$15 per bowler. All divisions will bowl 3 games. Teams of 5 will be formed (bantams are teams of 4 only) ... if you know who you want on your team, let me know immediately. You are not obligated to compete in this tournament. If you do wish to compete, however, I need to know right away. My deadline for mailing entries is midnight February 15th, so we need to get teams forms now.

Because this is a direct entry tournament and you can bowl on more than one team, if you wish to put together a second team, let us know, and we'll work with you to do that. Rules have changed ... you can now re-enter the same team more than once without a change of bowlers.

This tournament also offers a **Scratch Division**. If you wish your team to participate in the Scratch Division, please let us know.

DRESS CODE: Pheasant Lanes Youth Program Dress Code is modeled after the dress code for this tournament. Each team will be offered the chance to purchase team polo shirts at a discount and may choose their own color. Dress pants or khaki's must be worn – no shorts, skorts, skirts or capri's. Absolutely no blue jeans, sweatpants, pants with drawstrings or pants with holes in them. All shirts should be tucked in. Your USBC jerseys may also be worn.
